Encore Rigging Services is a team of world-class, certified rigging professionals, business leaders and design experts, dedicated to the safety and protection of all persons, infrastructure, and assets within your venue. We deliver innovative event rigging solutions that monetize the event space and provide our mutual event customers with the flexibility to dream big.

Encore rigging operating procedures keep you, the public and the venue safe by aligning with guidelines and standards from industry governing bodies and trade organizations such as OSHA, ANSI and ESTA. Accurate technical information must be provided 21-days in advance to allow Encore rigging the best possible opportunity to assure your event's success. Encore is dedicated to event safety, including all items attached to production truss or the structure of the building in any event or meeting space.

Rigging

> Rigging Point Package, Motorized	$ 255
> Box Truss 12X12 - 10'	$ 73

Labor Rates

> Rigger to Set/Strike	$120/hr

Guidelines for All Ballrooms

> A Hotel Liaison is an Encore employee required by the hotel to be present during load-in and load-out to be a liaison for hotel services and to ensure guidelines are being followed.

> Late or on-site Changes to the stamped rigging drawing will cause delays. Nothing will be flown that has not been through proper load calculation and advance procedures.

> No gear may be added or removed from a flown rig without approval from Encore Rigging.

> Only Encore Riggers may operate any rigging equipment.

> No substitutions will be allowed for rigging hardware designed for specific gear.

> Encore Riggers are responsible for the safety of the entire rig including anything that attaches to the architecture of the building.

Guidelines Exclusive To

DIMENSIONS ADDITIONAL MEASUREMENTS POINTS
Only certified hang points on the permanent point grid may be used.
